Course Objectives: The course has been designed keeping in view the disciplinary or inter-disciplinary nature of the programme. It is a AEC course for the BA programme in Arts and is also open to students of the university under choice based credit system (CBCS). The course introduces meaning and nature of basic literary aptitude and orientation to the Gujarati Language and Literature.

By the end of this course, students should be able to-

On completion of the course students will be able to:

LO 1 – Describe main concepts and debates in classical and contemporary Gujarati Language Literature.

LO 2 – Analyse and understand the function of Language.

LO 3 –Apply theoretical concepts in order to describe, analyse and assess real-world literary phenomenon through Language.

LO 4 – Describe the relation between literary theory, human emotions, imagination, and inter relations by thr medium of Language.

LO: Learning Outcome

Teaching Methods:

Teaching will take place through lectures and interactions. For students, regular attendance and participation in the class is essential. Group and individual activities from student participants would supplement classroom engagement. ICT tools would be used extensively during teaching. Students are expected to participate actively in discussions based on their critical understanding of the assigned readings. 80% attendance is necessary to attend the end semester exam.
