Course focussing on	Employability/ Knowledge enhancement
Relevance of course to	Local, National, Regional and Global level/presentation skill./personality Development
Relation to	Human Values and Professional Ethics, etc.

Course Objectives: The course has been designed keeping in view the disciplinary or inter-disciplinary nature of the programme. It is a IKS/VAC course for the BA programme in Arts and is also open to students of the university under choice based credit system (CBCS). The course introduces meaning and nature of writing skill and expression by language.

By the end of this course, students should be able to-

- (i) Get an overview of the main concepts of writing skill.
- (ii) Critically read and analyse classical and contemporary texts on political theory
- (iii) Apply theoretical concepts in order to understand and critically express their views through Language.
- (iv) Get a perception of surroundings

On completion of the course students will be able to:

- LO 1 –Describe main concepts and debates in their daily expressions.
LO 2 –Analyse the issues in different way.
LO 3 –Apply theoretical concepts in order to describe, analyse and assess real-world day-to-day phenomenon. and prepare for the competitive exams.
LO 4 –Describe and abbreviate linguistically.

LO: Learning Outcome

Teaching Methods:

Teaching will take place through lectures and interactions. For students, regular attendance and participation in the class is essential. Group and individual activities from student participants would supplement classroom engagement. ICT tools would be used extensively during teaching. Students are expected to participate actively in discussions based on their critical understanding of the assigned readings. 80% attendance is necessary to attend the end semester exam.
